ASSESSMENT UPDATES

Forward: Updates

- **Forward Exam District Survey**

  Data Recognition Corporation (DRC) and DPI are seeking feedback from districts on the 2017 Forward Exam test administration. The survey, found here, includes questions about district experiences with eDIRECT, INSIGHT, online resources created for test administration, DRC's Help Desk, and more. We estimate the survey will take approximately 10-15 minutes, and is intended to be completed primarily by district assessment coordinators (DACs) and district technology coordinators (DTCs). Please help us improve your experience by completing this survey no later than May 30, 2017.

- **Student Reports**

  Forward Exam student reports and summaries will be posted to eDIRECT in late June. The hard copies of individual student reports will be mailed to districts in late July.

An application is now available on our Educator Involvement webpage. Please pass this information along to school and district staff. Applications are due to osamail@dpi.wi.gov by May 19th.
